EXPERIENCE

PRIVATE ENGLISH TEACHER

2014-2016

- While completing my bachelor's degree in college, I had a part-time job as a private english teacher.
- A total of my private students in those 2 years was about 8 students ranging from elementary school students to college students who wanted to follow the student exchange program.

ENGLISH COURSE TEACHER IN THE REALLYGREATSITE ACADEMY OF LANGUAGE

2015 – 2017

- My other side job when in college was as a teacher in a english course, it is the Reallygreatsite Academy of Language.
- I quitted from my job in the academy in 2017 a year after my graduation due to a conflicting schedule. Working here brings a lot of experience and knowledge for me.

A HIGH SCHOOL TEACHER IN THE BORCELLE HIGH SCHOOL

2017 – 2022

- I applied for a job as a English teacher in the Borcelle High School and I was accepted after passing several tests.
- It is a good career improvement as being a school teacher has been my dream for a long time. It is quite challenging to teach teenagers. They tend to be always curious and fascinated with the materials I give.
